

Techno 5M Mini Cashless ATM

- Security: Anti skimming/ Jitter technology

- Easy maintenance

- The machine complies with EMV 4.0;

- Card reader complying of EMV2000 ver4.0 level1
PBOC 2.0 standard

Headquarter: No. 36, Heidarian Alley, North Falamak Ave., Shahrak Qods, Tehran, Iran
Factory address: Tosan Techno building, Innovation Street, Pardis Technology Park, Tehran, Iran
Website: www.tosantechno.com Phone: +98 21 4206 1000

Techno 5M Mini Cashless ATM

Module	Part	Brand/Type	Spec
Main Controlling	IPC	GWI	CPU: 2.5HZ or above RAM:2GB HDD: 250GB PCI port:1 USB port: 6 (Buil t-in) Serial port: 6 Parallel port:1 Floppy Driver/CD Driver Multimedia system: inclusive of audio card, displaying card and sound box
Displaying	Displaying Screen	GWI	17" TFT LCD Resolution:1024 * 768 Brightness: MIN 300 cd/m ² Respond time: 15ms Deflection angle:1500 Touch Screen GWI 17" surface acoustic Support handwriting Resolution:4096*4096 Respond time: 16ms below Accuracy:2mm Dust proof/scratch proof/ riot proof water proof
	Touch Screen	GWI	
Pin pad	EPP Pin pad	JUST E6020	Software: support Triple Des, ANSI,ECB Stainless EPP: including 10 numeric keys and 6 function keys Water proof, dust proof, vandal resistance Key module: 16 series of 64 digital keys saved, W/NO read, data will be erased automatically as key module destroyed Privacy filter is optional
			IC card: ISO 7816 T = 0/ T = 1 Card position detection:photoelectric detector Card returned as power failure Card captured as time out or unqualified Lifetime:2 million times/5 years Speed: 200mm/s or above Communication interface: RS232C, Magnetic sensor for direction of card entry Working humidity: 5%-95%RH Shaped card slot
Printing	Receipt Printer	GWI M-T532AP	Thermal printer: paper cutting (full/half) Black mark sensor Detection for paper shortage or empty. Width: 79.5mm or above Speed: max 150mm/s Density: 203DPI Paper roller dimension:120mm Graphics print Lifetime: print head/100 km or above; cutter/1 million times or above
Cabinet	Mounted Cabinet	GWI BST508	Steel cabinet: steady, antirust waterproof, dust proof Rear view mirror is optional Special case with lock
